THE WEST COAST WINE PROGRAM AT MANTLES

A SENSE OF PLACE IN EVERY POUR. PROUDLY SERVING BC WINES.

Wild beauty, layered terroirs, and the quiet artistry of its winemakers – this is the soul of the West Coast, reflected in our carefully curated wine program.

From British Columbia's volcanic slopes to coastal vineyards, our selections pay homage to a region of remarkable range and character. BC wines are expressive, elegant, and often crafted in small batches by independent producers whose passion is as bold as the landscapes that shape their vines.

While not always internationally available, these wines are undeniably world-class. They are hidden gems that reflect the values we hold dear: integrity, authenticity, and a profound connection to place. Every bottle on our list is chosen not only for its quality, but for its story and its ability to create meaningful moments at the table.

Whether you're unwinding after a day on the mountain, gathering with family, or savouring a quiet fireside evening, we invite you to discover the richness of the West Coast in every glass.
