

SUN PEAKS GRAND HOTEL & CONFERENCE CENTRE FOOD & BEVERAGE HEALTH & SAFETY GUIDELINES

Our food & beverage teams are ready to provide you with a safe and delicious dining experience.

Our restaurants are offering fresh, new menus and patios will be in full swing while respecting social distancing guidelines. We will be utilizing heated tents this winter to safely accommodate more diners. Staff members will wear gloves and face masks where appropriate.

Like in all public spaces, guests must wear face masks while entering and exiting or moving around our restaurants. Seated at a table is the only acceptable “mask-free” scenario in our food & beverage facilities.

The best practices outlined [here](#) in this guide will be followed by all of our team members.
